

MGF

YOUR WEALTH CREATOR

Brochure

7th Edition 1 September 2008

MISSION

The Municipal Gratuity Fund (MGF) is committed to provide employees of municipalities with optimum retirement security and superior related benefits.

The business of the MGF is to:

- Manage financial contributions and assets with the purpose of maximising returns,
- Create and protect wealth for members,
- Render prompt and excellent service.

VALUES

Our members are our most valued asset and are treated with:

- | | | |
|-------------|----------------|-------------|
| - Integrity | - Transparency | - Respect |
| - Equality | - Empathy | - Sincerity |

MEMBERSHIP

- The MGF is a dynamic defined contribution 'umbrella' fund with more than 27 000 members employed by municipalities of Mpumalanga -, Gauteng -, North West and Limpopo Provinces.
- Employees older than 16 and younger than 65 years of age employed by a participating municipality may join.
- No proof of medical fitness is required.

GOVERNANCE

Members at each participating municipality democratically elect member representatives and each municipal council appoints an employer representative. These employer- and member representatives constitute the General Committee of the Fund which meets annually. At these annual meetings of the General Committee the member- and employer representatives respectively elect members of the Management Committee. The Management Committee is the governing body of the Fund in accordance with the Pension Funds Act and the Rules of the Fund. The Management Committee is constituted as follows:

- 7 Member representatives
- 2 Employer representatives
- 1 Representative appointed by SALGA
- 3 Independent persons with special expertise in municipal matters, the pension fund industry or economic- and financial matters, appointed by the other members of the Management Committee.

The offices of the Fund are situated in Bedfordview with a limited staff component of 6 people. This front office is responsible for strategic communication, assistance to members in special circumstances, trustee services, secretarial services and monitoring of service providers.

FUND ADMINISTRATION

The Management Committee of the Fund outsourced the administration of the Fund to Coris Capital, a registered retirement fund administrator. They are responsible for all administrative functions with reference to the receipt and processing of contributions, payment of benefits, housing loans and updating member information.

Members can direct their enquiries regarding administrative matters to Coris Capital at **telephone (012) 683-3900 or toll free 0800118334**. They can also be visited at **Lords Estate, Office Block 8, 276 West Street, Centurion**.

INVESTMENT POLICY STATEMENT (IPS)

The Fund does not manage any investments itself. All moneys are allocated to different well-known asset managers to manage according to a specialist mandate in line with the Investment Policy Statement of the Fund.

The Fund adopted an **Investment Policy Statement** in terms of which the investment objective is to generate sufficient returns, based on 40 years membership, in order to enable a member to buy a pension equal to 75% of pensionable salary at retirement. To reach this objective a long term investment approach is taken, resulting in **three life stage** portfolios, namely the **Aggressive-, Moderate- and Conservative Portfolio**. All assets of the Fund are invested in the standard asset classes namely equities (shares), fixed income, cash and properties. The combination of asset classes within each portfolio will differ according to the performance objective of the specific portfolio. Members are automatically allocated to the applicable life stage portfolio according to their age. The characteristics of the three life stage portfolios are as follows:

Life stage 1: Aggressive Portfolio (AP)

This portfolio is for members 50 years and younger.

This is an aggressive investment portfolio. More money is invested in equities (shares) and less in fixed income investments and property. A greater return can therefore be expected **but** at an equally higher risk. A member, however, who is a long way from retirement, can tolerate such higher risk, as there is enough time to recover possible losses and create wealth.

Life stage 2: Moderate Portfolio (MP)

This portfolio is for members 50 to 60 years of age.

A more moderate investment approach is followed. Less money is invested in equities (shares) and more in fixed income investments and property. The return may be less but the risk is also lower. It is suitable for older members closer to retirement who should not be exposed to the higher risks of the Aggressive Portfolio.

Life stage 3: Conservative Portfolio (CP)

This portfolio is for members between 60 and 65 years of age.

These members cannot be exposed to any risk and therefore their money will be invested in fixed income investments, cash, structured products, hedge funds and absolute return products with no direct exposure to equities (shares) in order to protect their capital. It should be noted that structured products, hedge funds and absolute return products do have exposure to equities albeit hedged to a certain extent.

The Exit Portfolio (EP)

An Exit Portfolio, invested in cash, is used to protect the members' fund credits upon termination of membership until payment of benefits. As soon as a Termination of Membership form (MGF-D8) is received for a member the Fund Credit of such member is transferred to the Exit Portfolio. Members may also utilise the Exit Portfolio as an investment choice portfolio.

The Guaranteed Portfolio (GP)

The Guaranteed Portfolio is a low risk investment product. It renders a capital guarantee plus a guaranteed return which is annually determined during May for the next financial year. Apart from the guaranteed return a further maximum (capped) additional return may be allocated at the end of the financial year depending on the performance of the equity market. Members interested in the GP must enquire annually at the beginning of May about the expected returns for the ensuing financial year.

MEMBER INVESTMENT CHOICES

The Fund Credits of members are automatically invested in the relevant life stage portfolio according to age. However members may, subject to certain conditions, exercise a written choice if they wish to invest contrary to the applicable life stage (AP, MP or CP) or if they wish to invest in the GP or EP. Investment according to the life stage portfolios is an integrated investment model in accordance with the IPS (Investment Policy Statement). The probability is good to obtain the targeted return over a long term. Members should therefore be very cautious to chase short-term returns by electing contrary to the life stage portfolios, with possible disastrous results. Younger members should be careful not to be over conservative and forfeit returns in the long run. Member Fund Credits may be split between the five portfolios (AP, CP, MP, GP and EP) to a maximum of two portfolios. Members are therefore not allowed to be invested in more than two investment portfolios at any one stage. Members who exercised a member investment choice will remain invested accordingly until written notification to the Fund otherwise. If a member elects to split her/his investment between two portfolios, the different returns of each investment portfolio will cause a drift from the chosen percentages split. Members' Fund Credits will not automatically be rebalanced to the original chosen percentage split between the two portfolios. A new option form must be submitted when a member wants such rebalance.

Member investment choices may be done at any time in respect of the AP, MP, CP and EP. **Member investment choices in respect of the GP can only be done once a year, usually not later than 31 May of each year.** The exact date may change slightly from year to year. One choice per year is free of charge but subsequent choices require a switching fee.

A member investment choice is usually implemented within three business days from receipt, except in the event of the GP. The underlying investment for the GP is usually purchased in the first week of July and implementation is effected approximately the second week of July. This may however vary from year to year.

CONTRIBUTIONS

- **Members**

Members contribute at a minimum rate of 7.5% of their annual salary which may be increased once every 12 months.

- **Employers**

The standard contribution rate of employers is 22% of a member's pensionable income. 17% is credited directly to the member's Fund Credit and the remaining 5% is utilised to finance risk benefits (approximately 4.25%) and administration costs (approximately 0.75%). Employers may, with the consent of members and the Management Committee, contribute at a lower or higher rate, subject to such conditions as imposed by the Management Committee.

- **Contract Appointments (total cost to council)**

Such members may structure their contributions according to their requirements but subject to the following minima:

5% (minimum) employer contribution.

7.5% (minimum) employee contribution.

There are other options that may be more tax efficient but such members are advised to contact the Fund Administrator or a tax expert to give them the necessary assistance.

THE COMPOSITION OF THE MEMBER ACCOUNTS

FUND CREDIT

All monthly contributions, excluding contributions to risk benefits and administration costs plus all bonuses, be it positive or negative, are allocated to the Fund Credit accounts of members. Members will be able to see the value of their Fund Credit on a daily basis once they have registered on the website.

Although contributions accumulate in the member's Fund Credit account, it remains a Fund asset and accrues to the member only on termination of membership.

RETIREMENT AGE

- Normal retirement age is 65 years
- Members may voluntarily retire from age 50

Although the benefit does not differ whether a member retires or resigns it may be tax efficient to retire rather than to resign. More information is available on request.

BENEFITS

The MGF is a defined contribution umbrella retirement fund (DC fund) where the member will always, even upon resignation, receive at least all member contributions plus the contributions of the employer after the contributions for risk benefits and administration cost have been deducted plus or minus the net return.

The benefits are as follows:

- **RETIREMENT, RESIGNATION AND DISMISSAL**
 - A lump sum equal to the member's total Fund Credit
- **DEATH OF A MEMBER**
 - **Members with more than 5 years' membership:**
 - A lump sum equal to **four** times annual salary **PLUS** Fund Credit
 - **Members with less than 5 years' membership:**
 - **Unnatural causes:** A lump sum equal to **four** times annual salary **PLUS** Fund Credit
 - **Natural causes:** A lump sum equal to **two** times annual salary **PLUS** Fund Credit
- **FAMILY FUNERAL PLAN**

Family funeral cover is paid to members and their families as follows:

Member	R10 000
Member's Spouse	R10 000
Children (14-21 years)	R 8 000
Children (1-13 year)	R 3 000
Children (0-1 year)	R 1 500

Children who are full-time students and have not attained age 25 will be covered. No age limit will apply to a child who is incapacitated from maintaining himself or herself by mental or physical infirmity. (Proof of the abovementioned conditions will be needed).

The above benefit is obtainable from Metropolitan Life, scheme number: F6006016. In the event where there is no Metropolitan office nearby, AVBOB will render the necessary assistance.

- **MEDICAL DISABILITY**

A member who qualifies for a medical disability benefit and has more than 5 years membership will be entitled to four times annual salary or Fund Credit whichever is the greater up to the age of 55 after which the benefit scales down monthly up to the age of 65 to two times annual salary or Fund Credit whichever is the greater

BUT

a member who has less than five years' membership and qualifies for a medical disability benefit due to an injury, illness or condition which he/she:

- **knew about or could reasonably be expected to know about;**
- **was diagnosed with;**
- **was treated for; or**
- **displayed symptoms of**

within twelve months preceding the commencement of membership of the Fund, shall be entitled to the greater of two times annual salary or Fund Credit.

Please note: Risk benefits (death and disability) are subject to adjustment depending on the claims experience. The actuary of the Fund monitors this on a continuous basis to advise the Management Committee (Board of Trustees) to make adjustments timeously.

Enquiries should be made to verify whether any changes were made in this regard since the date of the brochure.

• **REDUNDANCY OR RETRENCHMENT**

A member who becomes redundant or is retrenched is entitled to the member's total Fund Credit plus an additional amount financed by the employer. Payment of the relevant benefit is subject to receipt of the employer's contribution. The additional amount is determined according to years prior to normal retirement. The **maximum** additional amount payable is equal to the Fund Credit.

Retrenchment benefits for members appointed on contract may vary in terms of the contract entered into between employer and employee.

NB Members should note that this benefit might change according to the agreements at national level between SALGA and the trade unions.

HOUSING LOANS

The Fund used to grant home loans from the member's fund credit. This direct home loan scheme has been replaced from 1 June 2007 by a pension-backed home loan scheme. Standard Bank has been appointed as service provider in this regard. A member may apply for a home loan with Standard Bank up to a maximum of 50% of the member's fund credit. Standard Bank grants such loans against the security of the member's fund credit. Members must comply with all the requirements of the National Credit Act to qualify for such loan. Loan applications must be lodged with Standard Bank through their call centre, telephone no. 0861 009 429.

Members with existing housing loans granted directly from their fund credits in terms of the previous dispensation may maintain such direct loans or transfer them to Standard Bank. However, members taking up new loans are obliged to transfer the existing loan(s) from the Fund to Standard Bank.

TAX

Benefits can only be paid out once the South African Revenue Service has issued a tax directive.
