Fund Fact Sheet

MGF Aggressive Portfolio

March 2026

Fund Information

Inception Date: 01 July 2005
Fund Size: R 30.0 billion

Fund Objective

This is an aggressive investment portfolio. More money is invested in equities (shares) and less in fixed income investments and property. A greater return can therefore be expected but at an equally higher risk. A member, however, who is a long way from retirement, can tolerate such higher risk, as there is enough time to recover possible losses and create wealth.
