

Fund Fact Sheet

MGF Moderate Portfolio

September 2025

Fund Information

Inception Date: 01 July 2005
Fund Size: R 11.0 billion

Fund Objective

A more moderate investment approach is followed. Less money is invested in equities (shares) and more in fixed income investments and property. The return may be less but the risk is also lower. It is suitable for older members closer to retirement who should not be exposed to the higher risks of the Aggressive Portfolio.
