Important Information

- **Form D** has been designed to capture the information of a major child of the deceased. As the major child, you are required to complete all the information and to submit all the documents listed. The sooner you return the completed form and documents to the employer, the sooner the fund will be in a position to assess the information and make an allocation.
- It is the duty of the Board of Trustees of the Fund to allocate the death benefits to beneficiaries of a deceased member in terms of Section 37C of the Pension Fund Act. The Act allows the Board up to 12 months to ensure that all potential beneficiaries are identified and therefore it can be a lengthy process. It is in your interest to provide the Board with as much relevant information as soon as possible.
- Once the Board has completed its investigation, they will compile a schedule of all persons who qualify as dependants and nominees (schedule of potential dependants) and will circulate it to all potential dependants for their information and comment to ensure accuracy. In order to protect personal information, only the following desensitised information of the potential dependants will be shared: name, age, relationship to deceased, whether nominated as a beneficiary or a dependant, whether he or she lived in the deceased's home, the extent of dependency on the significantly owned capital, future earning capacity and prospects.
- Only once the schedule is finalised can a final allocation of the death benefit be made.
- If you require any assistance with the completion of this form, you may contact us on the following telephone number: (086) 122-3646 during office hours.
- Please e-mail the completed documentation to: sanlamEB@sanlam.co.za
